Parsons

The Parsons Electric Fireplace offers attractive cabinet-style storage with a clever twist. Disguised as drawers, the side doors open to reveal adjustable shelves perfect for storing media components, books or other items. Contemporary rustic styling and powder-coated steel bands and door pulls lend themselves to a variety of decor. The VividFlame Electric firebox easily plugs into any standard outlet with features including remote control, programmable thermostat, time function, brightness settings and ultra-bright VividFlame LED technology. Available in Chestnut Oak and Antique Gray finishes.
