

*The essence of cooking with
Class.*

Grills

Cutlass Pro Grills

The RCS Cutlass Pro Series of outdoor grills are designed for the weekend cook as well as the professional chef. With cast stainless steel burners, solid stainless steel rod cooking grids and warming rack, plus 304 stainless steel body, these grills will provide you with many years of great-tasting food.

Other standard features include rear infrared rotisserie burner with motor, spit rod with two four prong forks, heat zone separators, interior halogen lights, LED illuminated control knobs and a full width slide-out drip tray. Also includes a sure strike ignition system, which is the most reliable in the industry. Optional infrared burner upgrade is available! These grills are gorgeously sophisticated, yet very simple to operate. The fuel type is field convertible for future changes.

Recommended for Every Four Feet of cabinet

The RCS line of grills and outdoor kitchen accessories are backed by a U.S. company with over 50 years of grill experience. In our top of the line products we have 304 stainless steel that you will be enjoying for years to come. With five different sizes of grills to choose from, RCS can accommodate the grilling needs for any occasion. The expertly crafted design will allow you to grill foods that a professional would be proud to serve. No matter what model you choose, you will have a high performance grill with stainless steel burners, stainless steel rod cooking grids and warming rack. Not only will your RCS products perform great but it will look great too. With several selections of under counter refrigeration options, a large selection of access doors, slide out drawers, trash cans, beverage centers and sinks with faucets, the RCS line is here to complete your outdoor kitchen.

RCS Products Warranty

Cutlass Pro Grills- Housing, cooking grids, warming rack and burners have a lifetime warranty against defects in manufacturing and workmanship. Control valves are warranted for 15 years, heat tents three years and all other parts one year.

Premier Grills- Housing, burners, cooking grids and warming rack are warranted for 10 years. Control valves are warranted for 15 years and all other parts one year.

All other RCS Components- Doors, drawers, and all other RCS grill components have a one year warranty from the date of purchase.

This warranty excludes normal surface corrosion, discoloration, surface scratches and surface rust which may occur during use. RCS will not be responsible for any damage caused as a result of not following owners manual instructions. This warranty is limited to the replacement of defective parts with the owner paying all other costs including but not limited to shipping and labor to remove or install replacement parts, if necessary. If you have purchased an RCS Grill you must maintain your original receipt to receive warranty parts on the grill. The warranty is for original owners only and cannot be transferred. Coverage is for residential use only, no commercial applications apply.

All cut-out dimensions are for reference purpose only. Specifications are subject to change. Please refer to RCSGasGrills.com for the most up to date measurements.

For any questions on RCS products please email CustomerService@RCSGasGrills.com or visit RCSGasGrills.com
