

ACiQ PTAC Series

Your Best Option In PTAC Solutions

5 Year Compressor &
2 Year Parts Warranty
with Online Registration

Features

Heat Pump Efficiency

Enjoy up to 60% energy savings on heating vs. electric strip heat-only models.

Pre-Installed Air Filters

ACiQ PTAC units come with two washable, pre-installed air filters to help keep the air pure and clean.

Infrared Sensor

The units have an IR sensor for use with 3rd party controllers.

Automatic Programming Restart

In the event of power loss, this unit automatically restarts with your most recent settings so you can have peace of mind.

Electric Backup Heating

Keep warm inside no matter the temperature outside.

LED Temperature Display

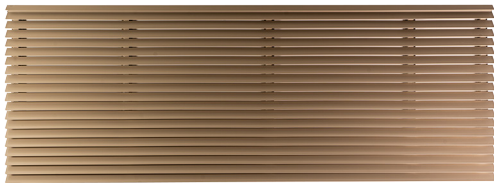

The sleek LED temperature display allows for easy-to-read climate control year-round.
