INNOVATION BUILT BETTER

Ascent™ Linear Premium

GAS LINEAR FIREPLACE

BLX42 | BLX46 | BLX56

IMPROVED AESTHETICS

The significantly enhanced viewing area provides an immersive experience that aligns with modern consumer expectations. By removing the heat baffle and incorporating ceramic glass, we've addressed customer feedback, creating a cleaner and more appealing aesthetic.

MORE ADAPTABLE INSTALLATION OPTIONS

Includes a NEW adjustable finishing flange for flexibility and NEW optional 4-piece finishing trim to suit a variety of applications for more modern installations.

MORE MARGIN, COMPETITIVE PRICING

Competitively priced to deliver strong margins and positioning for the trade, this new series is designed to capitalize on the growing demand for linear fireplaces.

DESIGNED TO MEET UNIQUE CONSUMER NEEDS

Strategically positioned in the Entry Linear category, the Ascent™ Linear Premium bridges the gap between the Ascent™ Linear and Vector Series. It also shares the same framing as the BL, BX, and B Series for easy planning and upgrades.

Features, Options and Accessories

- Optional heat management offers a quiet, more efficient system to circulate warmth throughout the home and is suitable for TV installations (this will allow you to disable the standard blower and offer a more passive system to your customers)
- Premium linear with lower BTUs ideal for heating smaller spaces
- Premium safety barrier and standard blower included
- Top Lights for an illuminated effect
- Remote included to control on/off, thermostat, flame, fan, top lights and more
- Up to 28,000 BTUs
- President's Limited Lifetime Warranty
