

Master 12" High Velocity Direct Drive Floor Fan MAC-12F

Product Description

The Master® MAC-12F high velocity floor fan delivers fresh air quickly to localized spaces.

Great for spaces with or without air conditioning, this floor fan can take the edge off of your monthly energy bill by allowing you to use the A/C more sparingly.

And with our efficient direct drive design, you'll conserve even more electricity. It has three speed settings and features a heavy-duty, all-metal construction.

Whether it's a warehouse, garage, barn, or a crowded summer gathering, the MAC-12F high velocity floor fan is an efficient way to cool all types of spaces.

Features

Fully-enclosed, industrial motor

Powerful, all-metal construction

Tilt-angle head for directional airflow control

5 ft. power cord

All-metal safety grille
