

Master 24" Direct Drive Cradle Drum Fan - Tilttable MAC-24DCT

Product Description

The Master® MAC-24DCT high velocity barrel fan delivers fresh air quickly to localized spaces.

Great for spaces with or without air conditioning, this barrel fan can take the edge off of your monthly energy bill by allowing you to use the A/C more sparingly.

And with our efficient direct drive design, you'll conserve even more electricity. It also has two speed settings and features a heavy-duty, all-metal construction.

Whether it's a warehouse, garage, barn, or a crowded summer gathering, this Master high velocity barrel fan is an efficient way to cool all types of spaces.

Features

2-variable speed settings

Heavy-duty all metal construction

Large wheels for easy portability

Industrial high velocity motor

Swivel cart for directional airflow control
