

MASTER Blower 8in Duct Canister Ready MB-P0813-DCR

Product Description

The Master® MB-P0813-DCR ventilator, used with our ducting (sold separately), will deliver fresh air to any area in need. Whether you need fresh air for work in an enclosed space, to cool off a hot basement, or if you need extended mold and mildew remediation, our ventilators are the ideal solution.

All Master ventilators and ducting are built to endure over time, with heavy-duty construction and an ergonomic, portable design.
