

MHD-42-BDF-C

MHD-42-BDF-C

Product Description

When you're in the market for the most powerful cooling solution, Master has you covered. The Master 42" Heavy-Duty Industrial Barrel Fan will handle the toughest demands, no matter what you throw at it. With ultra-thick, OSHA-compliant guards and barrel, this fan is made to last and take the abuse of any industrial setting. Rock-solid wheels and a built-in handle give you the portability you need, and the fuse-protected accessory outlet lets you daisy chain multiple fans for maximum cooling. But that's not all: The matched belt-drive motor and blades use our unique design for the quietest operation and the highest achievable levels of airflow up to 14,800 CFM. Whether it's a workshop, warehouse, garage, outdoor area, or other large space, you can count on these fans to get the job done. Master—built for power.

Features

- 2 Speeds

- High-efficiency industrial motor
- Fuse-protected accessory outlet for daisy chaining multiple fans
- Heavy-duty, solid wheels
- Machined, built-in handle
- Powerful, ultra-thick steel construction
- Low-noise, belt-drive operation
- OSHA-compliant safety guards
- 8 ft. grounded power cord

SPECIFICATIONS

Brand	Master
Drive	Belt
Housing Material	Steel
Phase	1
Speeds	2
Vfd Compatible	No
Cord	Included - Wired
Diameter (inches)	42
Fan Diameter Range (inches)	36

Frequency (hz)	60
Nameplate Amps	5.6
Number Of Wings	4
Power (hp)	3/4
Switch	On product
Voltage	120
Blade Material	Galvanized Steel
Cfm (high)	13300
Product Color	Black

Speed Control Compatible?	No
Cfm (low)	9500
Cord Length (feet)	9
Fixed Or Portable	Portable
Oscillating	No
Product Certifications	ETL
Thermal Protection	No
Country Of	US
