

VKM36-2-O

VKM36-2-O

Product Description

Tired of continually replacing your mobile drum fans? Schaefer mobile drum fans have "Schaefer-Tough" polyethylene housing and durable reinforced galvanized steel wheel carriage for impact and rust resistance. These fans are built to last, the best looking fans in the industry and move massive amounts of air at high velocities. A single "Schaefer-Tough" mobile fan will not only take the place of several lower performance fans, but out live them as well, lasting for 10+ years.

Features

High-density polyethylene housing for superior impact, abrasion and temperature-cracking resistance

Galvanized steel base for complete corrosion resistance inside and out

Narrow fan profile, and ergonomic pull and base handles for easy portability

Large rubber wheels mounted inside the fan profile for convenience and safety

Stacking tabs for storage and transportation savings included on OSHA VKM models

OSHA compliant guard

Two year warranty

Made in the USA
