
Sterling 40

Sterling 40 is pre-weathered and has a rust-like patina from the corten steel. Its unique look and naturally oxidizing finish makes this grill a desirable focal point for any outdoor social gathering and can withstand all weather conditions.

TASTE

Wood-grilled foods get their subtle yet distinctive flavor from the fragrant smoke. The flavor comes from the high, dry heat of the wood fire (1,000 degrees or more), which caramelizes the proteins in meats and the plant sugars in fruits and vegetables.

EASE OF USE

Anyone can prep, use and clean this grill. It's a fun and interactive grill for everyone to participate.

VERSATILITY

The grill has an incredible 1,600 inches of cook space, allowing multiple people to cook a variety of menu items at once and has the ability to cook lots of food in a short period of time.

CONSISTENCY

Puts out great results every use. Food cooks evenly and tastes amazing every time.

Our grills are made with the customer in mind. We make sure that our grills and accessories offer superior performance and functionality. This style of grilling is fun for the whole family, as well as, for social gatherings. It doesn't matter diet restrictions, you can feed everyone their meal preference at one time with the 1,600 inches of cook space.
