

NAPOLEON

GAS BURNING STOVES
napoleonfireplaces.com

Find your happy (fire)place.

Throughout the ages, people have gathered around fires to share in life's greatest joys. There's just something about the glow of flickering flames that makes special moments feel even warmer.

A Napoleon fireplace is uniquely designed to brighten the vibe of any room in your house. Napoleon has an incredible range of designer options to fit any vision.

A fire not only raises the warmth and ambiance of a room, it can raise the value of your home. A fireplace offers some of the highest returns of any remodeling project. And that should make you feel good all over.

And so you can keep enjoying that positive glow for years and years and years to come, every Napoleon fireplace is backed by the President's Limited Lifetime Warranty.

Outstanding Features

of Napoleon's Advanced Technology

Advanced Burner Technology

Napoleon's sophisticated burner system offers superior flame technology. Strategically placed burner ports create the most realistic YELLOW DANCING FLAMES® in the industry.

Finely Tuned Precision Valves

Surrounded with a protective cast aluminum jacket, the precision valves allow for ultimate reliability and 100% SAFE GUARD™ gas control system.

Minimum 30% savings on heating costs with Zone Heating

Zone Heating means you are heating the rooms that you use the most with an alternate heat source, like a Napoleon gas fireplace. Zone Heating is the obvious solution for families concerned about rising fuel costs.

Outstanding Craftsmanship

Fine details are designed in every aspect of Napoleon fireplaces... individually handcrafted with pride of excellence to last a lifetime.

Safety Screens

Napoleon, leaders in design & technology have developed safety screens with aesthetically pleasing designs for every gas appliance to ensure ultimate safety and peace of mind for your family.
